OFFICE OF THE GENERAL COUNSEL

MUR 6627

I have been the owner and host of a two hour radio show titled "The Gun Show" for about the last two years. Mike Moon was only a political commentator in the second hour of my show before he ran for political office this year; he was a political commentator in the second hour of my show during his campaign, and he is a political commentator in the second hour of my show after his campaign.

An additional packet from the FEC was received on or about September 14, 2012. Mr. Stilson begins his complaint with the statement, "My understanding of FEC and FCC law..."

After reading the document, I have no certainty about what I am to respond. Please cite the FEC policy to which Mr. Stilson is referring and I will gladly respond accordingly.
